## WHO WE ARE

Total Force Alliance (TFA) is an SBA-certified SDVOSB and EDWOSB specializing in the delivery of mission-critical Enterprise IT Services and Mission Solutions. Headquartered in Miami, Florida, TFA provides core expertise across AI, Cloud, Cybersecurity, ISR, and Software Development for the federal landscape.

We focus on the modernization, security, and orchestration of complex enterprise networks and intelligence systems, including large-scale infrastructure modernization. Our capabilities center on the technical execution of cloud migration, secure software development, ServiceNow implementation, advanced ISR services, and AI-enabled data integration across the project lifecycle. TFA operates within secure environments ranging from Secret to TS/SCI with polygraph, delivering technical expertise aligned to mission requirements. Our SMEs ensure the right capability is in place at the point of execution to immediately integrate and perform within high-stakes environments.
